

WHO PAYS

No one is ever turned away from Care Initiatives Hospice because of an inability to pay for services. Most funding comes from Medicare, Medicaid or private insurance. Our services paid by Medicare, Medicaid or private insurance can include the following:

- the hard work and dedication of all the team professionals
- medications you need now or in the future for symptom management
- medical equipment and supplies that help you live to the fullest
- respite for caregiver relief
- hospital outpatient or inpatient services needed to manage your care
